Sponsorship 2024

A small group of horse enthusiasts founded the McDowell Saddle & Bridle Club in 1967 to unite McDowell County's increasing equestrian community. Our objective was to build a family-friendly horse-related organization. MSBC has arranged trail rides, annual open and fun shows, and invited various specialists to lecture on horse care and well-being since its founding. Members do not need to own horses. To join, just love horses as we do.

Our club grounds host 4H horse shows and other activities. Our prior events include Renaissance festivals, SEFTA exhibitions, and rodeos. We cater to show novices in our events. We make our horse shows safe and pleasant for beginners and learners. This year, we want to provide workshops to assist newcomers succeed in the ring.

Our members get high point prizes at the conclusion of each year in our open show series. We want to provide each division belt buckles, jackets, or even saddle pads this year. English, Gaited, Western/Ranch, Speed Events, Novice Rider, Novice Horse, Horse/Rider of the Year, and Sportsmanship will be awarded. Our categories are mostly juvenile (18 and under) and adult (19 and up) awards. We hope for sponsors to help cover the costs of awards this year. Additionally, your contributions will allow us to continue having horse shows that are both welcoming, safe, and enjoyable for the participants and general public. In exchange for a contribution of money or products, we will promote your company. Our website and Facebook page will include sponsors for each of our four open shows, and each division's sponsor will be announced during classes. If you donate at least \$250, the Saddle and Bridle Club will include your banner and have it manufactured at Master's Hands Printing Service in McDowell County. We must continue to encourage our youngsters to ride horses, a beautiful and healing activity. \*Banners will only be included with a donation of at least \$250. If you would like to donate anything less, you must acquire your own banner.
